

BI-FOLD & SLIDING DOORS

A new way to enjoy your garden & home

Enjoy your garden all year round with AluK Bi-fold and Sliding doors. Make the most of your outside space with panoramic views through unencumbered glazing during the winter and wide open expanses, straight out into your garden, in summer and spring.

Manufactured from strong but lightweight aluminium our sliding and folding doors are available in many configurations to suit your home. Whether your property is large or small, you can still achieve the open plan living you desire without worrying about the weather outside.

Designed to the highest standards, our doors are reliable, secure and built with performance in mind, ensuring that you enjoy this relaxing and stylish way of living for many years to come.

*"Expand your living space
by bringing the outside in"*

Bi-fold doors

Enhance your living space all year round

Create modern and enjoyable living spaces by opening up your home to your garden with our stunning range of Bi-fold doors; designed to enhance your home, built to perform.

Sliding Doors

See more of your garden all year round

Keeping the weather at bay, our high performance lift and slide doors put a whole new perspective on your outside space, opening up wide areas of your living space to your garden.

Patio Doors

Bring the light into your home

Why settle for a darkened room and obstructed views when you can choose a high performance, stylish and durable patio door to open up your home and let the light flood in.

Stunning living spaces

Imagine the difference bi-fold doors could make to your home and the way you use your outside space.

Bi-fold Doors

Bi-fold doors are the ideal way to open up your home and bring the outside in, whilst still keeping the weather out.

AluK is a leader in the design and manufacture of aluminium sliding and folding doors, delivering outstanding reliability, performance and design every time. Our range of bi-fold doors enables you to expand your living space by opening up wide expanses of your external walls to your outside space. Whilst at the same time keeping the weather out and the heat in during winter months.

Our stylish but practical bi-fold doors are built to your needs, offering you a bespoke solution every time, from the configuration of the doors to the handles, accessories and colour, making AluK bi-fold doors the perfect addition to your home.

"Create wide open living spaces

that you can enjoy all year round"

Configurations

The diagrams shown here illustrate some of the configurations achievable with AluK's bi-fold door system. Panels can be stacked inside or outside to meet your configuration and space needs.

How configurations work

Built for your home
