

THE
County
COLLECTION

Introducing The County Collection

The Norfolk

The Suffolk

The Cheshire

The Cumbria

The Lincoln

The Stafford

Composite doors offer the look and feel of a timber door without any of the inherent problems, and unlike a timber door, they are incredibly low maintenance requiring just an occasional wipe over with a damp soapy cloth.

The **XtremeDoor** brand was developed over ten years ago with the highest levels of security and thermal performance in mind, so homeowners stay safe and keep rising energy bills under control.

We are now pleased to bring to you this new exclusive range - The County Collection. Whilst still offering all the same security and energy efficient features, this range encapsulates the countryside beauty of our picturesque shires.

With its simple glazing styles, this range has a real authentic heritage feel to it for those wanting to bring a little bit of British countryside to their home.

DOOR
Colour
OPTIONS

Doors are supplied with white internal colour as standard, however coloured both sides is available on request.

Coloured frames are also available in Anthracite, Black Ash and Slate on White.

RAL numbers are for reference only. Different materials will give different shade variations when painted with the same RAL.

Foiled frames and door slabs may appear slightly different due to the nature of the materials and light reflecting from them.
